DEATHS AND FUNERALS.

MRS. FREDERICA THOMAS.

Mrs. Frederica Thomas, wife of Dr. J. W. Thomas, Jr., whose serious illness was noted in these columns, departed this life at the family residence, No. 389 Granby street, yesterday, after months' suffering from heart trouble, in the 62d year of her age. The deceased was a lady of most lovable traits of character, and her demise will be deeply regretted by a large circle of friends and acquaintances. She was the daughter of the late F. S. and Virginia A. Dashiell, and a sister of Miss Maggie and Messrs. John F. Dashiell, of Berkeley. She leaves a daughter. The funeral will be solemnized from the residence at 3:30 o'clock this afternoon.

MR. C. ALBERT NASH, JR.

The funeral of Mr. C. Albert Nash, Jr., son of Colonel C. A. Nash, whose untimely death occurred at the home of his parents, on Granby street, Tuesday evening, will be held from the residence at 4 o'clock this afternoon.

SECOND DISTRICT POLITICS.

PEOPLE ARE BUSY AND PAY LITTLE ATTENTION TO POLITICS.

Dr. R. A. Wise, who is contesting Hon. W. A. Young's seat in the United States Congress, states that he will be seated. He claims a better case than he had two years ago. As a matter of fact the Republicans are taking very little interest in the contest, especially the Bowden wing, which controls the machinery of the party in Norfolk. Mr. Young was seen yesterday and said he was perfectly satisfied with the testimony taken and believed that he would be able to meet successfully before an honest body of men any charge that Dr. Wise can bring against the fairness of the election. He expected a contest. In fact Dr. Wise pledged his supporters in the convention at Hampton that he would contest if defeated by either Young or Holland.

SENATIONAL ELECTION.

Prominent Democrats in Norfolk are taking little interest in the Senatorial contest or the May Convention. It is said that on the plain proposition: "Shall United States Senators be elected by the people," that a majority of the Democrats of the city would vote aye, but a majority of the same Democrats, it is said, are undecided as to the proper mode of accomplishing this result, and are not prepared to say that the May convention in Richmond has been judiciously and properly called.

A gentleman rather close to Senator Martin stated yesterday that the Martin men are not opposing anything that the people wish, but before they are asked to endorse the Richmond convention evidence should be submitted to show that the people and not the politicians are behind it.

COUNTY POLITICS.

CONTEST IN PRINCESS ANNE OVER COUNTY OFFICES.

An active canvass is being made by the candidates for county offices in Princess Anne. The Democratic Committee has adopted the convention plan for making nominations, and delegates will be selected in district mass meetings, and these will nominate candidates for the party.

The Kempsville District meeting will be held at Kempsville to-day at 2 o'clock. Seaboard and Pungo Districts will hold their mass meetings Saturday at the same hour, and the county convention will be held at the courthouse on the 19th at 12 o'clock.

The candidates for the various positions are as follows: Commonwealth Attorney—A. J. Ackles and Judge J. T. Woodhouse. County Clerk—John E. Whitehead, J. J. Whitehurst, William (Justice) Atwood, J. W. Ewell, J. H. Bonney. For Sheriff—E. R. Ward. Commissioner of the Revenue—Sheriff Land and W. W. Cason. Treasurer—J. T. Woodhouse and Jonathan Woodhouse.

It is reported that the Democrats have a good chance to elect a county clerk this time, owing to a disruption in the Republican ranks. Mr. Abe Kellam is violently opposing his brother, County Clerk A. E. Kellam, and will back the Democratic nominee against him.

Dr. Leon's Books.

Mr. E. B. Merritt, who represents Mr. De Leon, has handed us several more of this author's clever works. In addition to "Wheeler, Man, Soldier and Statesman," for which inquiries are coming from distant points of the State, and which is receiving much deserved praise, Mr. Merritt also has "Four Years in Rebel Capitals," which is especially attractive to all in the vicinity of our great civil struggle, and "Crag Nest," "Juni" and "The Puritan's Daughter," a story of the Gulf Coast.

NO JUGGLING WITH WORDS OR FIGURES!

HERE ARE FACTS AND REAL VALUES!

Every article advertised stands for genuine worth—there isn't a trashy or inferior piece of merchandise in the stock—it must have character and give service, or we wouldn't give it stock room. Our conscientious business policy and guarantee for selling only reliable, trustworthy apparel that will give the full measure of satisfaction, stands at the back of each and every assertion herein contained.

We again reiterate the statement that it matters not how cheaply the prices are advertised the grade of material is of standard manufacture and represents intrinsically all or more than the selling prices charged. Some of these specials were not gotten without great and persevering effort—none without keen and skillful business strategy—for they are the very best values of their kind, notwithstanding the Phenomenal Bargain Prices we put on them.

MEN'S SUITS

NOTHING REMARKABLE ABOUT Men's Suits at Seven Twenty-five. The woods are full of 'em—but, it's different when comparisons are made—grade of material, designs, shape, finish and general make-up. Take notice of hundreds of correctly dressed men in the busy walks of life, attired as neatly and equally as fashionable as any high cost tailor can bring forth, and the cost is only Seven Twenty-five in place of twenty-five dollars. We don't mean to convey the fact that we are selling twenty-five dollar Men's Suits for seven twenty-five, but we do maintain that these Seven Twenty-five Suits are made up well, from good, honest woolen fabrics, tailored in our own workshops, guaranteed thoroughly shrunken, and in every way good, dependable and absolutely reliable suits that will give ALL and MORE wearing value than could be reasonably expected for the price charged. However, as we have hitherto stated, we are figuring for a larger outlet for the output of our manufacturing headquarters—reaching out for more business—proposing doing a still larger trade than heretofore, and are determined to make it an object to every man in this community to come to this store to do his trading. The Men's Suits on sale at Seven Twenty-five are far from the ordinary run of suits usually sold at or about this price, and there is no question about the genuineness of worth and satisfactory features of the goods. Early callers get the best pick of patterns

MEN'S SUITS

THERE ISN'T A SUIT IN THE ENTIRE Nine Twenty-five assortment but what any gentleman would consider a handsome, pretty garment, and what's still more, there's not one in the entire lot but what can be relied on for excellent wear, to say nothing about the extra tailoring touches and the up-to-date improvements applied to them. We assert positively, without hesitation, that these Suits are unquestionably better than any goods we've ever placed on our counters for the price, and hardly think it probable that we could again procure the cloth and duplicate at the same price cost to make up such suits as these so good and so cheap. The range consists of flannels and staples in Vests, Cassimeres, Serges and Cheviots, made up in Single and Double-breasted Suits, full lined, half lined, or quarter lined, representing sizes of every sort inside of 42 inches breast measure. Every man that values money saving and seeks the best that is going on an economical basis will surely appreciate the worth and value that can be captured here at Nine Twenty-five; more especially when it is considered the choiceness of patterns, quality of fabrics, correctness of tailoring, and all round good points of real merit that is coupled in the make-up of such desirable Spring Suits at the moderate outlay

HERE GOES ANOTHER PRO-nounced range of Men's Suit Values at Twelve Fifty. Here are designs that a Cheap John tailor would consider a marvel of cheapness at twenty dollars, and the fellow that will produce them anything like as good wouldn't know how to go about for any less than a quarter of a hundred. To match 'em ready-made in their various points of superior manufacture is just simply out of question. This sort of tailoring ingenuity is the outcome of fifty-six years of continued manufacturing experience, making up directly and exclusively for our own stores situated throughout the Southern markets, and every feature connected with the garments—careful selection of cloths, weights, colors, shades, conformity of figures, shapes, individualities of local fashion, are the result of long and careful study, the proof of which is best demonstrated in the big value giving that this Twelve Fifty line makes it claim. Here are correct fitting suits of every sort of desirable and fashionable designs of Gentlemen's Choice Spring Suits, made up in light, medium and dark effects, including an unlimited variety of blacks and blues in rough and smooth weavings. There's no possible way to go wrong here. The substance of the matter is just simply this—the suit must fit. If it doesn't—

IT GOES WITHOUT SAYING "YOU" pay your money and take your choice." There isn't actually much choice about selections of the Fifteen Dollar Suits placed on sale this season. The fact of the business boils itself down to a basis that they're ALL CHOICE. There's actually not a single suit in this range that wouldn't compare in point of style and appearance with the dressings of the best dressed gentlemen you meet anywhere, to say nothing about their costly tailoring bills and the delays and troubles they undergo before they are suited. Here are suits tailored by skilled work people, that stand at the head of the tailoring craft, just such type of work people that don't know how to turn out a mean job of work, the kind we employ, and the best proof of the satisfactory features of our high grade Suits is practically illustrated by the wonderful growth of business each succeeding season. Selling that succeeds is in value that satisfies. There's a cast iron guarantee at the back of each and every suit that's sold. They must hold their shape—the goods must hold their color—the trimmings must wear good—the sewing must be perfect. We stand at the back of 'em—that's what guarantees them. Fifteen dollar affords a choice of a big range in every sort of shape and a sprinklin of every sort of material. The best time for the best pick of sizes is now
